

Making Tomorrow Mini Conference

January 21, 2017 9:30am to 4:30pm

Camosun/Landsdowne Campus

Early Bird
Fee \$70
until Dec.
10th

Registered psychologist, Dr. Vanessa Lapointe

Through the Child's Eyes: Playing and Growing

Through the Child's Eyes: Adapting and Thriving

Visit CCRr online for
registration details @
www.childcarevictoria.org

This conference will be of interest to: Early Childhood Educators, Child and Youth Care Practitioners, front line child care staff, teachers, parents, counsellors, parent educators and beyond. 6.5 Hours of educational instruction. Certificates provided.

Playing and Growing debunks myths about play and refocuses our attention on the true play children need in their lives. Adapting and Thriving explores an adult's role in supporting the adaptive process in children.
